## Renewal of firearms licence safety test answers

If you are 16 or older, you can apply for a firearm license. This will allow you to have and use uncontrolled: shotguns and rifles that do not require approval (as below) specially dangerous air pistols (including pre-charged pneumatic (PCP) air rifles). You need a special addition to your license (called approval) and permission to own: possess or use prohibited items to collect handguns and limited weapons or stage theatrical performances involving handguns and limited weapons possess pistols and limited weapons in your capacity as a dealer or their employee. Anyone can use hunting and sighting shooting from a rifle or shotgun without a license if they are under the direct supervision of the license holder. Immediate supervision means that a licensed person is within reach and can control a firearm. The supervisor should not use another firearm at the same time. Download the application form and enter all the information you request. You can do this electronically using the edited PDF below and downloading the form on the firearm form to load the page. Or you can still print out the uniform, complete with handwriting, and then send it to the police or throw it at your local firearms office. The Firearms License Application Form (Editable PDF 591KB) before you apply, please make sure you read the questionnaire carefully. Incomplete form will lead to delays in processing the application. To apply for a firearm license, you must: meet the requirements for personal law; Have safe firearms depots at your home address; Be able to provide names and contact details for judges who will be interviewed by the police in connection with your suitability to possess or use firearms; Be able to provide detailed information about people who live, work or may have free or uncontrolled access to the premises where you intend to store firearms; Provide passport style photos yourself (see below for detailed requirements); Provide copies of the necessary identity documents; Pay the required fee at the New York Postal Store; Be able to attend an interview with the police to discuss your suitability for shooting; be able to attend a firearms safety course if you are a first-time applicant or instructed to do so by the police. be able to complete several security screening options (based on the Gun Code) at the interview if you have a firearm license and apply for a new one before it expires. Pay the fee apply to the New York Post Store and attach a copy of the receipt to your application. When you submit an application electronically, it can be a scanned copy or a digital photo of the receipt. Please note that the application fee is not refunded. Firearms license fees (including GST) are: Type Fee Fee License for new license holders \$126.50 license fee before the last license expires \$126.50 license fee after the last license expires \$241.50 Fee for one or more proofs (if you apply for them at the same time), which allows you to get you Target handguns collection handguns or limited weapons (fair collectors or museum endorsements) handguns or limited weapons to perform play/film/te acceptance (theatrical approval) of prohibited handgun items or limited weapons for rent or sale (dealers) \$204.00 Find The New York Postshop, which offer firearms license fees using the locator below. Postshop/Kiwibank Locator filter using a Pay Bill option. Your picture/s should: have been taken for 12 months since your application to be a full view of the front of your face, head and shoulders with your head filling most of the photos to be of you without a hat or headdress (except in cases When your religion requires you to wear a hat or head covering) there is a plain, light background should be in color Photos in electronic format should be: portrait photos (with a ratio of sides 4:3) in jpg format or jpeg between 25KB and 10MB between 900 and 4500 pixels wide and 1200 and 6000 pixels high. If you apply for a printed copy, you must provide two identical photos on printed photographic paper measuring 45 mm x 35 mm in non-crimmated. Digital and printed photos from commercial outlets tend to meet these requirements. Once you have completed the Firearms License Application form (Edited PDF 591KB), download it at the link below. You will also need to download the supporting documents listed below. photo or scan receipt for your application for a recent passport-style photo (or two identical printed photos if you apply for a printed copy). Identity documents, photos or address scans in the last 3 months (e.g. utility bill, bank statement, voter list) and photos or scans of two documents confirming your identity (passport, birth certificate, driver's license, identity card, Kiwi Access card, credit card/bank card). At least one of these documents must have a photo of you or a current firearm license (if you have one) Download the application documents If you are unable to download the application and must submit it in a hard copy, you can do so by dropping it to the police station. Please note that a hard copy document handed over to the police must be photocopies. If you have any questions or need help, please contact your local firearms office. Identification requirements for applying a firearm license Along with your applications, you must provide documentation to prove your identity. You're here: HomeFirearms License RenewalRenewing your firearm license is not just an exercise where you pay money and another license issued. More importantly, it is a renewed commitment to be a responsible and safe firearm owner. Records of recent hunter incidents (NOT accidents) tell us that a high percentage is associated with hunters who have hunted for years. This is unacceptable. There may be several reasons. Hunters can: Forget the basic firearms safety rules over timeAll their sliding standards over the years be negligent and assume that they know because SAFETY is such an important issue, we ask all firearm owners to renew their licenses, and renew their firearm safety obligations by making a number of our online modules. This is a small price to pay for the security enhancement! When you fill all the relevant modules and pass each quiz, we will send you a certificate of completion. You will be able to present your certificate to the person who conducts an interview with you and checks your firearm safety. REGISTER HERE FOR FIREARMS TEST COURSE Electronic training modules and a gun code quiz will help you prepare for a firearm theory test. If you are an experienced firearms user, you can test your understanding of firearm safety to keep your knowledge up to date.
